

The Mizuno Suite features a HD 106" wide screen projector and 1,000 watt surround sound for stunning presentation capability. It can also be used as a cinema for major sporting events

All conference delegates also benefit from 1/2 price use of all golf facilities including free hire of equipment on the day of your conference, plus a FREE individual 1/2hr Video Golf lesson to be booked and taken at your convenience

NEW

We have installed a Wii console in the Mizuno suite with Sports & Wii Fit Plus for up to 4 players. This is played through the 106" screen and makes a great team building addition. It can be used at lunchtime or integrated into your conference day

Use of the Wii is inclusive in the Mizuno suite daily room rate. please request when booking
