**High Quality Male Vocal Duo**  
**07704 535592**

**Bojangles** are a high quality male vocal duo performing a wide range of songs, from swing, jazz and modern favorites.

Bojangles comprise professionally-trained singers *Julian Davies* and *Chris Jones*. Both singers have strong solo voices, but uniquely, as Julian is a tenor and Chris a baritone, they also match to give the kind of natural harmony of a West End cast, the Everley Brothers or Simon and Garfunkel.

**“Stars In The Making” – The Stage**

Julian is a trained actor and singer and has been performing professionally for the past sixteen years. He is a founding partner and producer of Cambridge Touring Theatre and has numerous theatre credits to his name. Julian has sung in a variety of genres from

jazz to rock. He has a powerful, high tenor voice and has been described as ‘out Freddie Mercury-ing Freddie Mercury!’

### **“Magnificent” – The Stage**

Chris has been described by The Stage as, ‘A star in the making, possessing a magnificent baritone voice ...with great presence’. Having won an audition to secure a part in a West End Musical Show in late 2003, Chris made the bold decision to concentrate on vocal performance after meeting Julian while performing together in a tour of Sondheim’s *Merrily We Roll Along*.
